Badminton Canada has 13 Member Associations, who are the Provincial and Territorial Sport Organizations (PTSOs) for badminton. We are also the member association representing Canada to the Badminton Pan American Confederation and the Badminton World Federation.

### 3/ NATIONAL CHAMPIONSHIP SELECTION POLICIES

Badminton Canada determines the process for the selection of hosts and locations of Championships. Badminton Canada evaluates the bids and makes the final selection in consultation with the Competition Committee. Ultimately Badminton Canada staff will make the final decision.

- A. The extent to which the Championship will have a positive impact on the overall development of the sport.
- B. Ease of travel (proximity to a major airport, volume of inventory of airlines seats in and out of destination, other travel assistance to get to the venue, hotel and practice locations).
- C. Geo-political considerations. (Looking at both where the specific Championship has been held in recent years, and where all the other Badminton Canada Championships have been held and will be held).
- D. Badminton Canada will determine championship minimum fees based on a fair market analysis of the championship.
- E. Bid packages are to focus on what the Bid Committee can offer Badminton Canada and the participating athletes. Bid packages should not be conditional on Badminton Canada providing anything beyond what is currently detailed in this Bid Book.
- F. The signed championship agreement is the final authority on any dispute between the two parties (from Badminton Canada bid book to Host bid proposal to signed championship agreement).
