3. Bidding process

Listed below are the steps in the process to host a WBSC Baseball5 World Cup:

- The WBSC opens calls to express interest in hosting a WBSC Baseball5 World Cup;
- Bidders must submit their interest in a WBSC event by returning an 'Expression of interest to host a WBSC Baseball5 World Cup' (*Appendix 1*) and an 'Official bid candidate form' (*Appendix 2*) to the WBSC Events Department;
- The WBSC evaluates the submitted hosting proposals (the WBSC reserves the right to schedule a visit to evaluate the proposal, if deemed necessary);
- The WBSC identifies and selects the most suitable candidate for approval by the WBSC Executive Board; and
- The WBSC announces the successful host for the WBSC Baseball5 World Cup.

3.1 Opportunities of hosting a WBSC Baseball5 World Cup

Organising WBSC Baseball5 Events gives the opportunity for hosts to establish a legacy that will help develop the game locally, while also providing worldwide exposure for their programme and the hosting region. It also gives the opportunity to create an event within the event, with the involvement of local people and visitors, music, fun and socialization. The event can be brought directly to the population in the main squares or in the most-attended places in the city, creating meeting places in urban areas. With a world championship title at stake, all necessary components are in place for a successful and profitable event.

Among many others, some of the potential benefits of hosting a WBSC Baseball5 World Cup are:

- Support in the construction of new or renovation of existing facilities to favour the development of the game at all levels;
- Increased number of high-quality Baseball5 development programmes for professional, amateur, youth and grassroots levels;
- Improved cooperation between host cities, sponsors, media and the local community at large;
- Enhanced partnership opportunities and greater commercial activity and investment from new sponsors, media outlets and broadcasters;
- Help in breaking down social barriers for participation and better opportunities for people of all ages and genders;
- Use of well-known athletes or local VIPs as role models to encourage kids and emerging players and to promote health and other social benefits;
- Use of multi-venue / location to maximise host city and tourism impact;
- Multiple brand activations, campaigning and merchandising opportunities;
- Extensive host city / host country programme (dressing and branding) including fan zones;
- Promotional support on WBSC dedicated webpages and social media channels; and
- Opportunity to host Baseball5 in non-conventional sporting venues to promote the city and its landmarks.

3.2 Hosting Agreement

Once the organisation of a WBSC Baseball5 World Cup is awarded, a legally-binding contract/agreement is developed between the WBSC and the LOC and must be signed within thirty (30) days of receipt. The Hosting Agreement shall stipulate the obligations and responsibilities of the WBSC and the LOC, respectively, as detailed in the Event Hosting Manual. The hosting fee amount, payment date and potential non-compliance penalties will also be stipulated and will constitute an integral part of the Hosting Agreement.

3.3 WBSC standards and compliance inspection procedure

The LOC shall be responsible for all renovations or upgrades to facilities that do not meet the standards outlined in the Event Hosting Manual, after being awarded the hosting of a WBSC Baseball5 World Cup. The LOC shall schedule a site visit for up to two WBSC Representatives in order to inspect the competition venues, practice venues and proposed hotels to ensure compliance with WBSC standards. These standards apply to both new and existing facilities, and the venue and hotel inspections shall be considered the Official Site Visits.

After the inspection, a full report shall be developed identifying strengths, weaknesses and issues that may need to be addressed in order to meet critical requirements related to the playing field, player safety, venue infrastructure, hotel quality, etc. The list of improvements and recommendations shall become part of the Hosting Agreement between the LOC and the WBSC. If needed, a construction/improvement work schedule shall be agreed between the LOC and the WBSC, which may be followed up by the WBSC on a timely basis to ensure that preparations are on track.

During the site visit, WBSC Representatives may also evaluate other aspects of the Event organisation such as security, event promotion, medical services, transportation plans, etc.

3.4 Conflict of interest

In the event that a member of the WBSC Executive Board has a conflict of interest, such delegates shall decline to participate in the voting process for the decision to award the Hosting Rights of any WBSC World Cup.

Members of the WBSC Executive Board shall, in particular, be considered to have a conflict of interest if they represent a National Federation or Organisation whose bid is subject to the designation by the WBSC President for submission to the WBSC Executive Board for its final decision to select the host National Federation/Organisation for the next WBSC World Cup, or are a national of such National Federation's country.

Members of the WBSC Executive Board who decline to perform their duties in connection with the bidding process for the hosting of any WBSC World Cup shall notify the WBSC in advance.
