Please describe suite agreement details as it pertains to ticket revenue and identify the proposed buyout amount, if applicable.

In the event that your existing ticketing provider, if applicable, is unable to provide the necessary level of technology to meet Curling Canada's package and reserved seating needs, or if your ticketing provider agreement is not exclusive or not applicable to our event, please advise what venue fees that would have to be applied in a situation that Curling Canada sources its own supplier.

Venues must agree to advance funds on a mutually agreed to schedule as part of a venue agreement.
